EDUSAP BASIC FEATURES

AN ONLINE ECOSYSTEM FOR AN UBER EDUCATIONAL PERFORMANCE

Our intelligent system in edusap will cater the needs of both educational institutions and student management. With the advanced technologies and tools we have put together a complete care. Edusap is a web as well as mobile application which is available on playstore and appstore.

1

SEPERATE LOGIN FOR ADMINISTRATION, TEACHER, STUDENTS/PARENTS

Each profile is individually customized to best fit the roles and needs of the particular user type in mind. Role based dashboard and access controls enhances the UI.

2

ADMINISTRATION CAN MANAGE THEIR COMPLETE STAFF AND STUDENTS

Administrator has the absolute authority over the various modules and functionalities of EDUSAP. This includes teachers/staff management, student overview and other custom designed features.

3

A PERFECT WORKDESK FOR TEACHERS

This includes attendance marking, Homework analysis, Evaluation of academic performances and Extracurricular activities of students. The teachers are able to easily understand and guide the students effectively.

4

OWN PROFILES WITH ENRICHED FEATURES FOR STUDENTS AND TEACHERS

Each student/parent and teacher has got a profile, where the teachers can evaluate the students and parents can evaluate their child. Similarly the edusap allsys takes into account the need for the students to express their view/opinion regarding their teachers.

5

PARENTS CAN MONITOR THEIR CHILDS ACADEMIC ACTIVITY

Parents get continuous feedback from the teachers, and have the ability to monitor their child's performance. This helps parents to have their attention where most needed.

6

ONLINE ADMISSION CONVENIENT FOR ALL

By using a simple link sharing and verification process institutes can do online admissions. Applicant's can submit the application of admission with a single mouse click from their comfort zones. Provides a quick access to student records and databases for institutes.

7

ALERTS ON ATTENDANCE, FEE PAYMENTS, RESULTS AND OTHER OCCASIONS THROUGH PUSH NOTIFICATIONS

Edusap provides push notifications regarding students attendance, fee payments, results and any other important details to parents, so that they never miss out.

8

QUICK AND EFFECTIVE COMMUNICATION FOR TRANSPARENCY

Edusap provides quick and easy communication between teachers and parents via SMS, Diary & Mailbox

9

CREATE AND SCHEDULE ONLINE EXAMS WITH EASE

EDUSAP online exam module makes it possible to create and schedule online exams for students to attend their exams from wherever they are. This feature gives the flexibility to design exam papers, evaluate and grade them effectively

10

THE ACADEMIC DATA OF STUDENTS CAN BE STORED AND USED FOR BETTER EVALUATION

The complete history of the students regarding attendance, fees and other activities is archived and readily available to teachers. This helps in overall and continuous evaluation of the students and gives more holistic result.

11

BETTER EVALUATION OF OUR STUDENTS WITH THEIR CONTINUOUS PROGRESS REPORTS

A Comprehensive view of students academic activities including attendance, markaverts, late SMS reports, assignments, tests and even homework analysis can help out for a systematic and periodical analysis of student performance.

12

ACCESS TO THE EVENTS AND OTHER ACTIVITIES OF INSTITUTIONS THROUGH CALENDER

Edusap provides the user with an events calendar, an entire academic year where events such as exams, holidays, and other functions pertaining to the institutions can be accessed early on. This helps the teachers, students/parents to plan better and proceed in a systematic way.

13

SETUP ENRICHED LIBRARY OF QUESTION PAPERS AND MATERIAL AIDS FOR STUDENTS

With edusap study material module, students can access to institution provided questionpapers and study materials at any time any where. To make learning more interesting and easier.

14

FEE COLLECTION OF INSTITUTION AND FINANCE MANAGEMENT

Financial transactions of the institution can be managed with ease and fee remittance status of the students can be obtained efficiently to both administrator and parents. Fee due SMS reminder helps to manage fee payment on time.

15

LIBRARY MANAGEMENT MODULE

Edusap has a compact library management system which keeps track of book borrowers and dues. With photo on including online resources/books for the digital library.

16

TIMETABLE, MARKSHEET, ATTENDANCE RECORD AND REPORT GENERATION

One of the important things that an institute requires is all purpose report generation tool, be it the time table or the students mark sheet, attendance or annual finance summary of the institute. Don't you worry we got you covered.

17

GENERATE CERTIFICATES AND ID CARDS AT SINGLE CLICK

Hideous tasks of producing Transfer Certificates, Bonified Certificates and even ID Card generation becomes more easier and simple.

18

AUTO UPDATING ALUMNI DIRECTORY

A great alumni network helps every institute to show their power. System of adding a student in the alumni list whenever an entry occurred in the transfer certificate. Institution/admin can access this list whenever they want.

19

MAKE THE RECEPTION SMARTER

Reception management system manages the interaction of the visitors and keeps a track record on it. Helps front office executives to manage visitor details and provide them assistance.

EDUSAP PREMIUM FEATURES
